

Sweet pepper jack waffles, it's the

2018 INFOPICTURE

Data so sweet, you'll, uh, tap your feet?

The Fiesta raised

\$17,307.29

That means we broke the \$100k total mark!

The Job Fair itself raised \$1466. \$96 more than last year!

THINGS GOT WILD THIS YEAR.

DarkJDL completed FIFTY SIX RUNS!
Only TWELVE were not Triple Crowns!

The new run this year, #RegForbidden, had 1010 players and a 53% completion rate! Hope you liked the new jobs!

TOTALLY BIASED JOB DATA

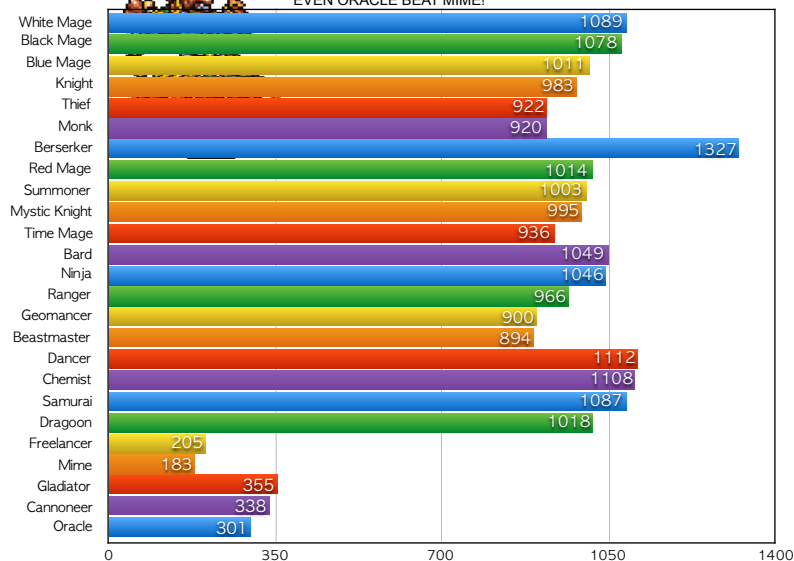

UN

Most: Berserker.
Least: Mime.
A tale as old as time.

EVEN ORACLE BEAT MIME!

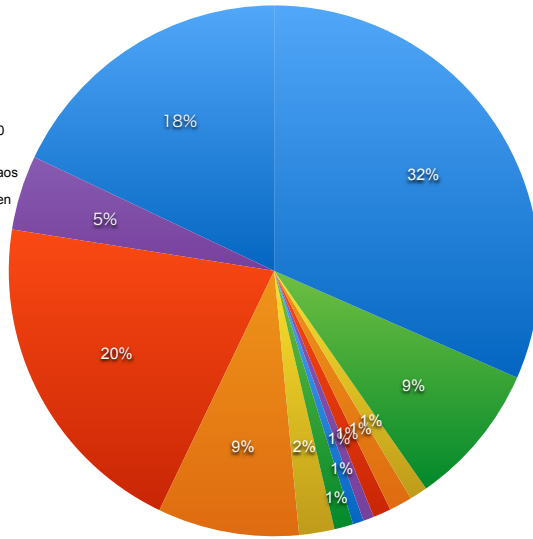

DATA

Filled Pies

THE TRADITIONAL “MOST COMMON AND LEAST COMMON JOB SET” I NEED A BETTER IDEA FOR NEXT YEAR!

Most “Common” Job Set

Two had it. One were victorious.

White Mage
Berserker
Bard
Dancer

Not great but better!

Least “Common” Job Set

Four had it. One won.

Monk
Time Mage
Beastmaster
Dragoon

We had more chances to fail, and did!

Most Common Job Amongst Players Who Beat All 3 Bosses

Bard!

Three years in a row!

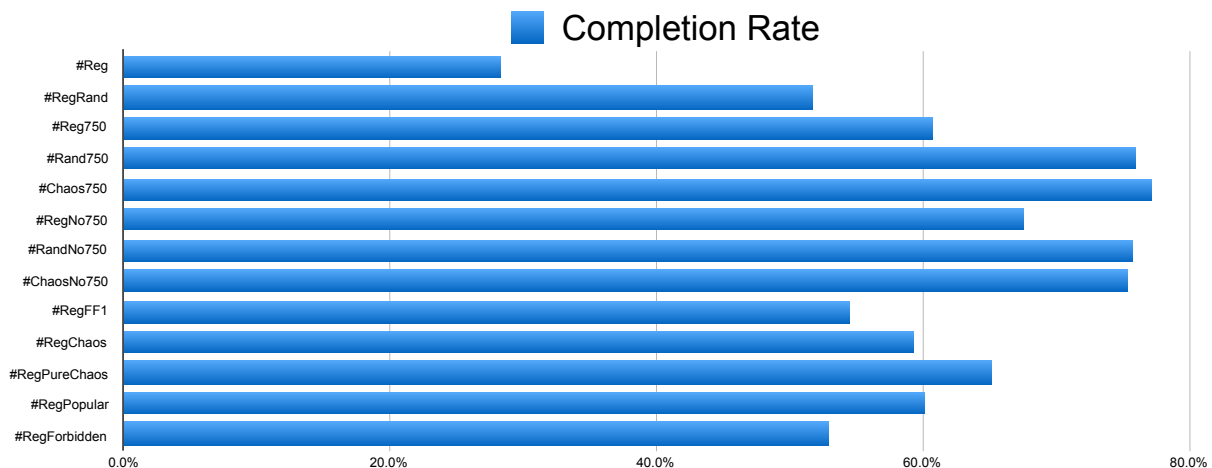

Least Common Job Amongst Players Who Beat All 3 Bosses

Oracle

I didn't see
this coming!

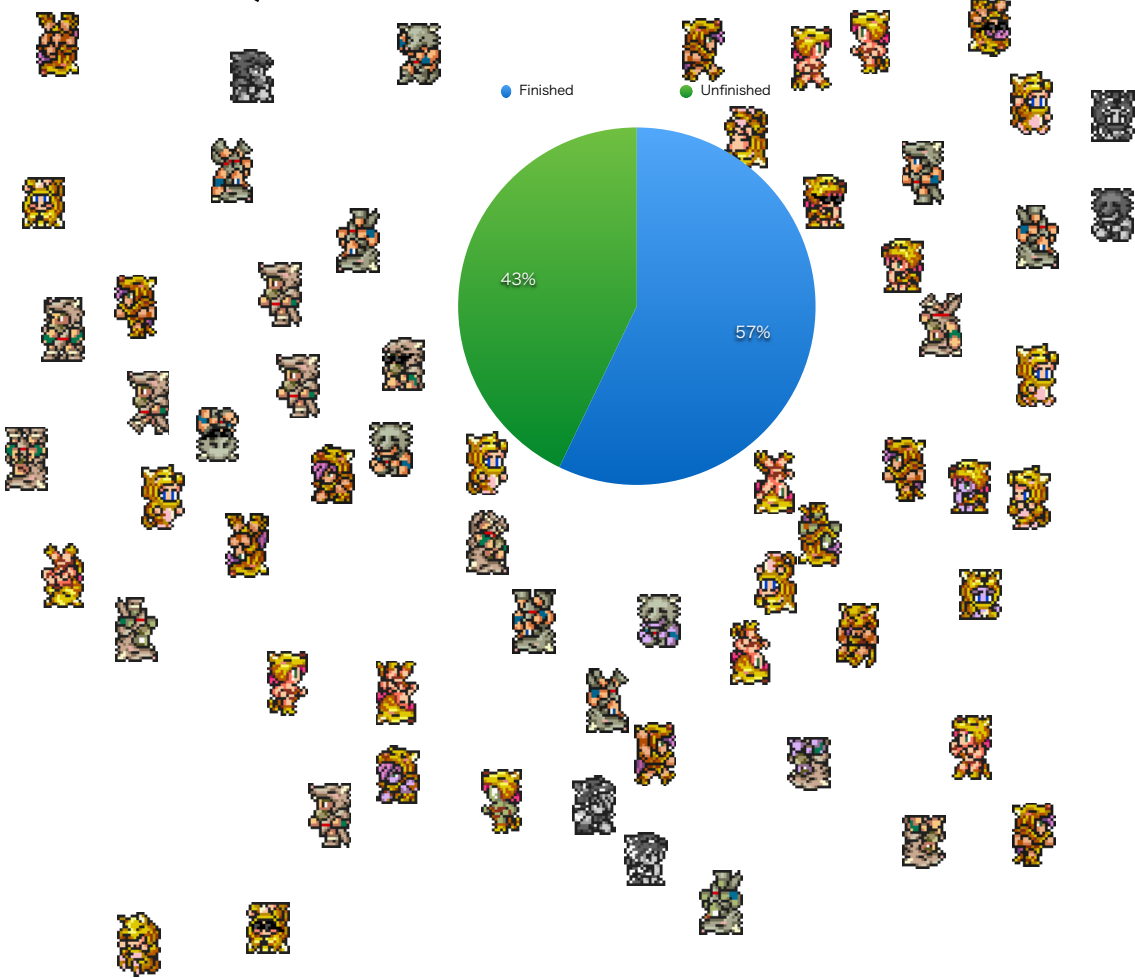

WE GOT A NEW JOB TO MAKE FUN OF!
MONK BEAT THIEF, CANNONEER, FREELANCER,
MIME, GLADIATOR AND ORACLE!

BERSERKERS

ONLY 7 QUADZERKER RUNS THIS YEAR

(615 players signed up for BERSERKER RISK this year.
48 less than last year. You chickens!)

The Fiesta was
great!
Thanks!
See you in 2019!

TIME TO SAY
GOODBYE!

Yes, but um...

PROBLEM?

Just wondering how you'll
interrupt me this year...

BUT WHAT IF I...
